

WE ARE A FRIENDLY FAMILY

In class we have been learning about cooperation. The list below is the same list as we use at school to help us cooperate. Read through this sheet with your child and discuss how you do these things at home. Keep the list somewhere handy, e.g. on the fridge, so you can refer to it regularly with your family.

We:

Help each other

Ask someone to join in if he or she is alone

Say nice things to each other

Take turns and share

Listen to each other
