

FAMILY ACTIVITY SHEET 1

Get the Scoop

Communication Sheet 1 asks parents if they feel up-to-date with what they know about their children. This sheet can help you get to know each other a bit more and have some fun doing it.

HOW WELL DO YOU KNOW YOUR CHILDREN?

Get up to date by interviewing your children!

Hey kids! You can ask your parents the questions too, if you like.

What is your favourite colour?

Which animal would you like best as a pet?

What is your favourite game?

Who are your best friends?

What is your favourite hobby?

What do you like doing most at school?

What is your favourite T.V. show?

What are you most afraid of?

What really annoys you?

With whom do you enjoy spending time?

FAMILY QUESTIONS:

Everyone in the family can answer these questions.

What are the best things you do together as a family?

What would you like to do more of with your family?

Discuss this activity and the points from Communication Sheet 1.
